Companion Animal  
Digestive Issue Presentation

Pets can often have digestion disturbances and challenges that can affect their quality of life, and sometimes the quality of life of their human companions. Choose a digestive topic that interests you from the list, or ok your idea with Mrs. Roesler. Work with a partner or by yourself to create a power point presentation about the topic that meets the following criteria.

Criteria	Points possible	Points earned	Comments
Presentation is 4-6 slides in length (not including the works cited slide or title slide)	5		
Title slide	2		
Works cited slide (urls)	8		
Includes at least 1 picture per slide	5		
URL Source posted under or next to each picture (google images does not count, you must get the ACTUAL website)	5		
Description of the digestive topic	5		
Pets that may be affected by this digestive topic	5		
Possible solutions (or uses) for the digestive topic	5		
Interesting fact about the digestive topic	5		
Presenting to the class	5		
Total	50		

You will have 2 days to put together your power points. When you are finished please email your presentation to [roeb@waseca.k12.mn.us](mailto:roeb@waseca.k12.mn.us) so it can be accessed from the classroom computer. You will give your presentation in class on Tuesday January 31, so be ready to be the expert on your topic.

Possible Topics: (sign up for your topic on the clipboard, no duplication!)

Bad breath, Flatulence, Hairballs, Obesity, Raw feeding, Probiotics, Urinary tract health, ulcers, constipation, inflammatory bowel disease
